

What a great idea to have a gymnastics Birthday Party!

WE AIM TO GIVE YOUR CHILD AND ALL THE GUESTS A FUN AND MEMORABLE TIME ON THIS SPECIAL DAY!

The Gym

The gym is an exciting but safe place, with a full sized tumbling floor area, multiple sets of bars, beams, rings trampolines, landing mats, bungees and best of all two foam pits, however we do recommend that you make your guests aware of the inherent risks associated with gymnastics. The kitchen area allows plenty of room to prepare and set up the party food.

The Birthday Activities

The children will enjoy a wide variety of gymnastics activities and games and will be able to use all the equipment in the gym (with the exception of the bungee, which may only be used by the birthday child). All activities will be under the direct supervision of the coaching staff.

The Staff

The coaching staff running your birthday party provide a safe fun environment and are trained to manage groups of children, allowing you to enjoy the special day for your child as well,
